Senior Class of Arts High School
Newark, New Jersey

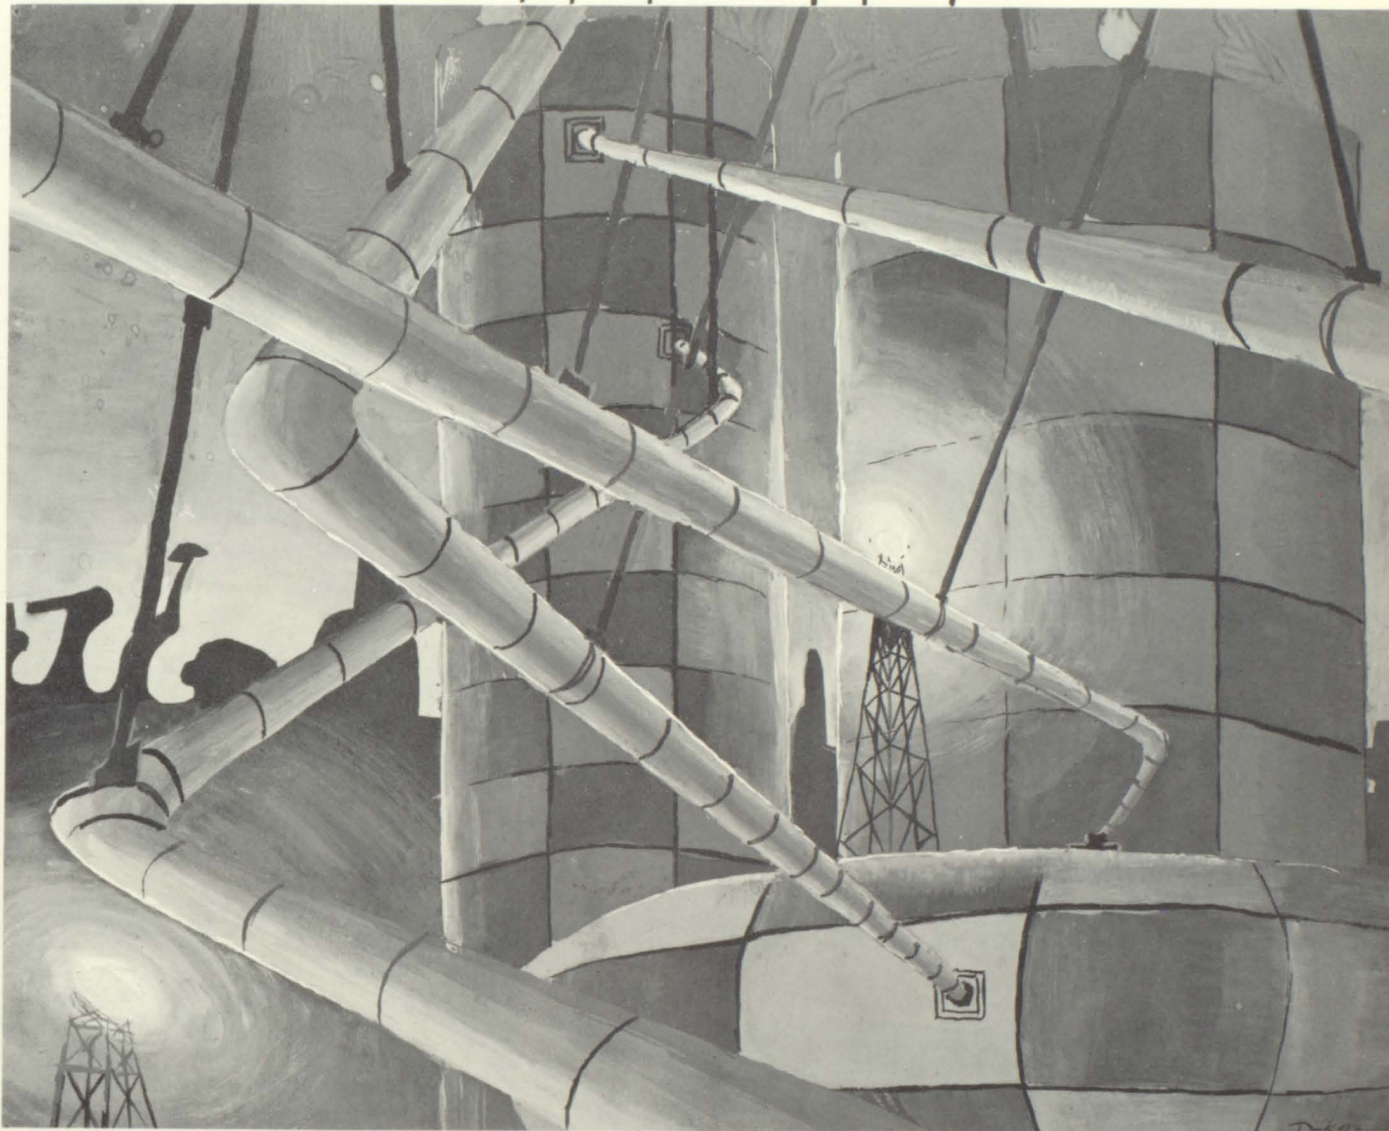

In general it has been assumed that the great arts have these functions: They give form and meaning to life, which might otherwise seem shapeless and without sense. They give us deeper understanding of our own lives and the lives of others. They express the spirit of an age or people. They provide diversion from the cares of the day and satisfy desires unfulfilled in our common life.

She has always been there when we needed her and has displayed patience and understanding in helping us cope with our problems. Planning our schedules, checking our attendance, handling correspondence, and evaluating our records are but a few of the tasks she has cheerfully and efficiently executed for our benefit. Interested not only in our academic progress but also in our cultural and social development, she has participated in all phases of our school life. Our association with her has been an education in itself.

THE CLASS OF JUNE 1961
presents

John Gower (Davenport) a critic from the New York Times, exposes Ralph Porzilli, a "phony" art dealer, to Joe Neigel.

Michael Galdi (Tallant), who also wants a painting of the late Christopher Bean, offers Joe Neigel (Dr. Haggett) a check for his trouble.

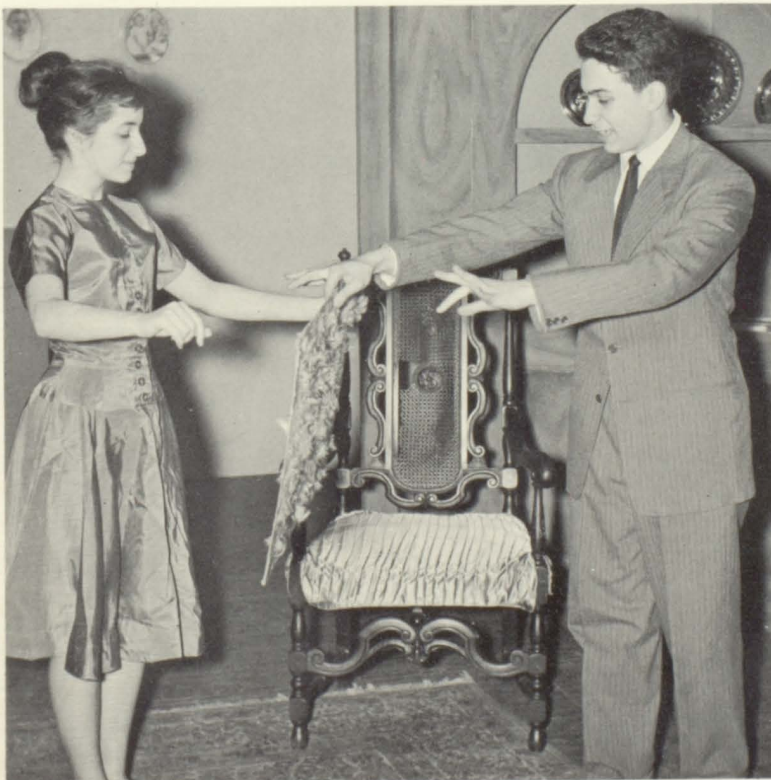

Ralph Porzilli (Rosen) emphasizes a point.

Mr. Janowitz speaks to Dolores Tisdell about the importance of voice training.

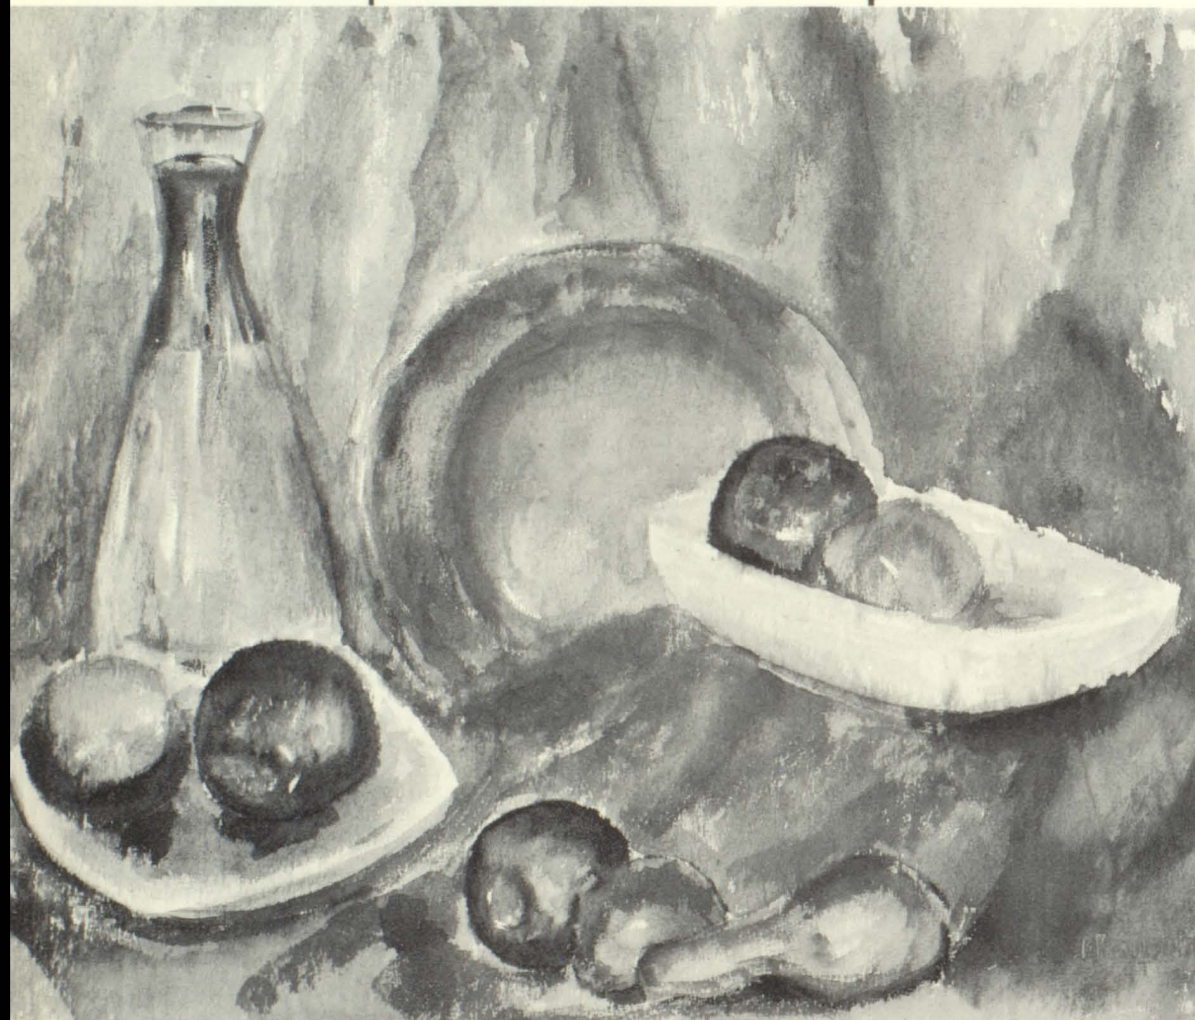

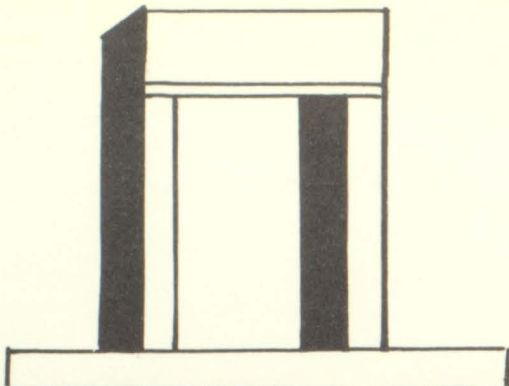

Miss Novak gives Joe Neigel a black eye.

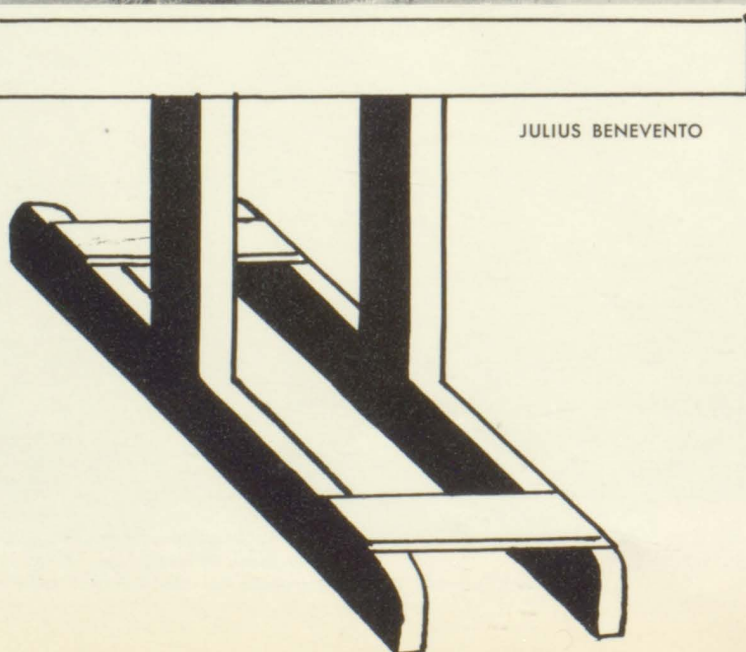

Joan Schilare (Mrs. Haggett) brings Michael Galdi a painting of Chris Bean's which she had kept in the chicken coop to prevent a leak.

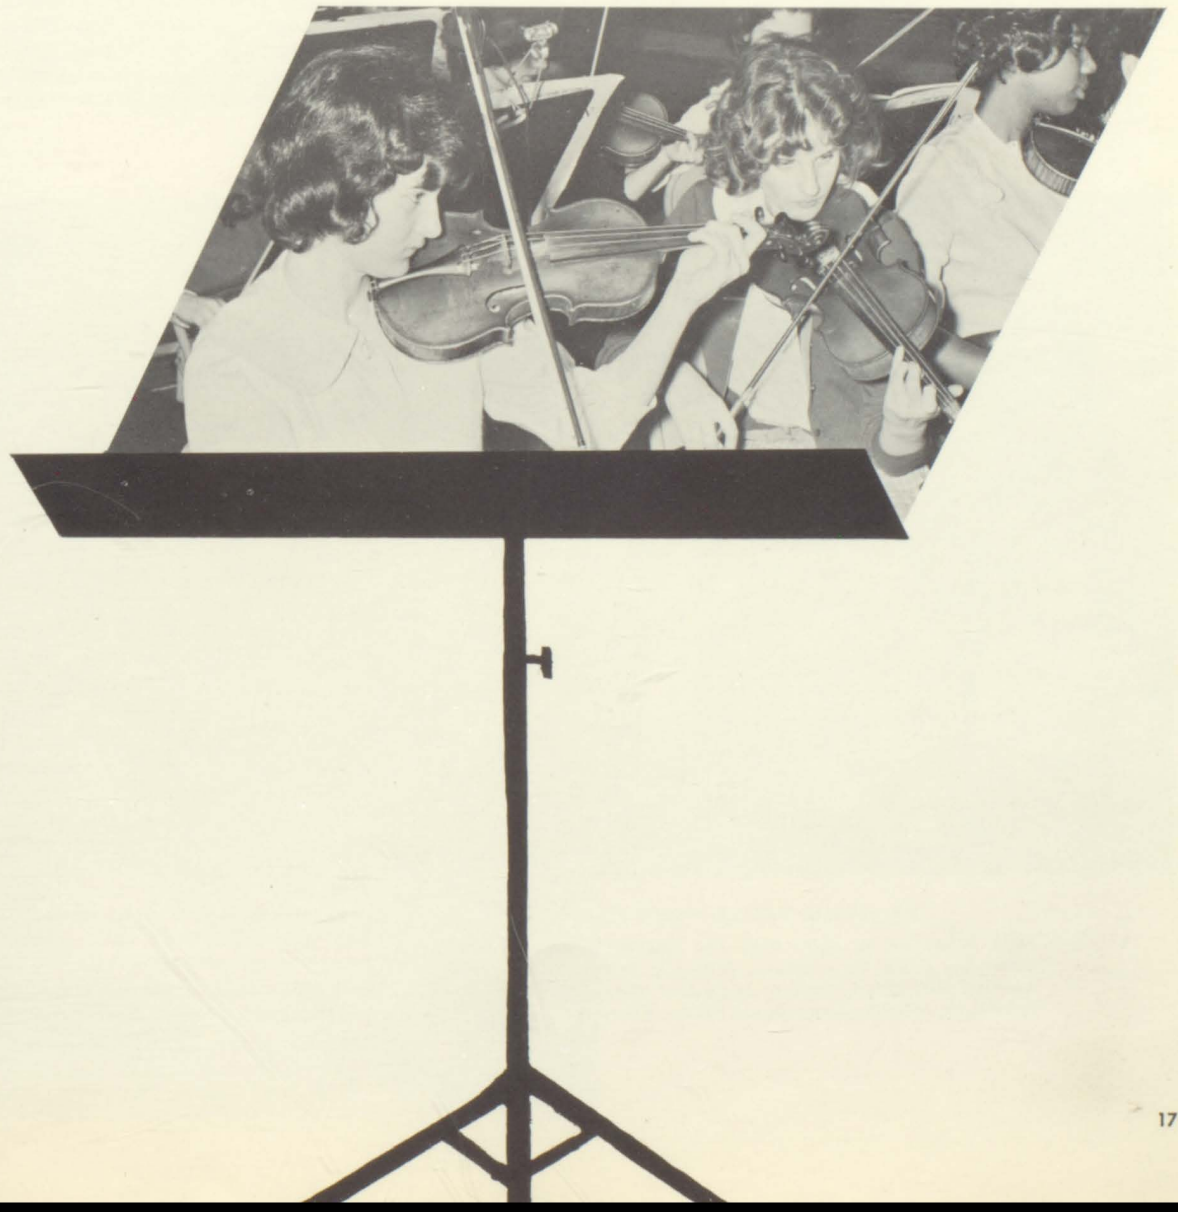

After reading the telegram from an old "friend" of Chris Bean, Benyonne Lee (Abby) is convinced that it is a fake, for she does not know of any such man.

BARN DANCE

"Do-si-do your corner girl!"

"Two little maids from school are we!"

"May I cut in?"

Our Barn Dance, sponsored by the Student Council, is one of the first social events on the fall calendar. Since this is a very popular activity which receives the enthusiastic support of the entire student body, the committee was fortunate in receiving permission to hold the affair in the Broadway Junior High School gymnasium. Everyone dressed in appropriate costume and the decorations were in keeping with the fall season. Music was furnished by the Arts High Dance Band under the direction of Mr. Tobia. Mr. Lang, our conscientious, congenial physical education teacher, and expert square dance caller, made everyone feel that "he was down on the farm."

"Hail, hail, the gang's all here!"

FAUST

ARTS HIGH Presents

SCENES FROM

FAUST

by GOUNOD

THE OPERA

Each year the music and art departments cooperate in presenting an opera or an operetta. Last year's production was Gounod's Faust, the story of a young man who, for the love of a beautiful maiden, sold his soul to the devil. The co-operation and hard work of the soloists and the members of the chorus, directed by Mr. Pickett, together with the skillfully rendered background music of the orchestra, under the baton of Mr. Pesile, resulted in a polished performance. The art department produced brilliant costumes, expert lighting effects and beautiful stage sets, all of which enhanced the splendid production.

"Ouch! You're hurting my hand!"

Members of the chorus blend their harmonious voices during a colorful scene in the opera.

Irvin Harris, Carolyn Slade and Raymond Torsiello share the spotlight in the opera's opening act.

Marguerite (Allie Jefferson) prays for forgiveness for her sins in the final act of Faust.

Mephistopheles (Roy Byrd) decrees the fate of Faust.

Men back from the war give their rendition of the "Soldiers' Chorus."

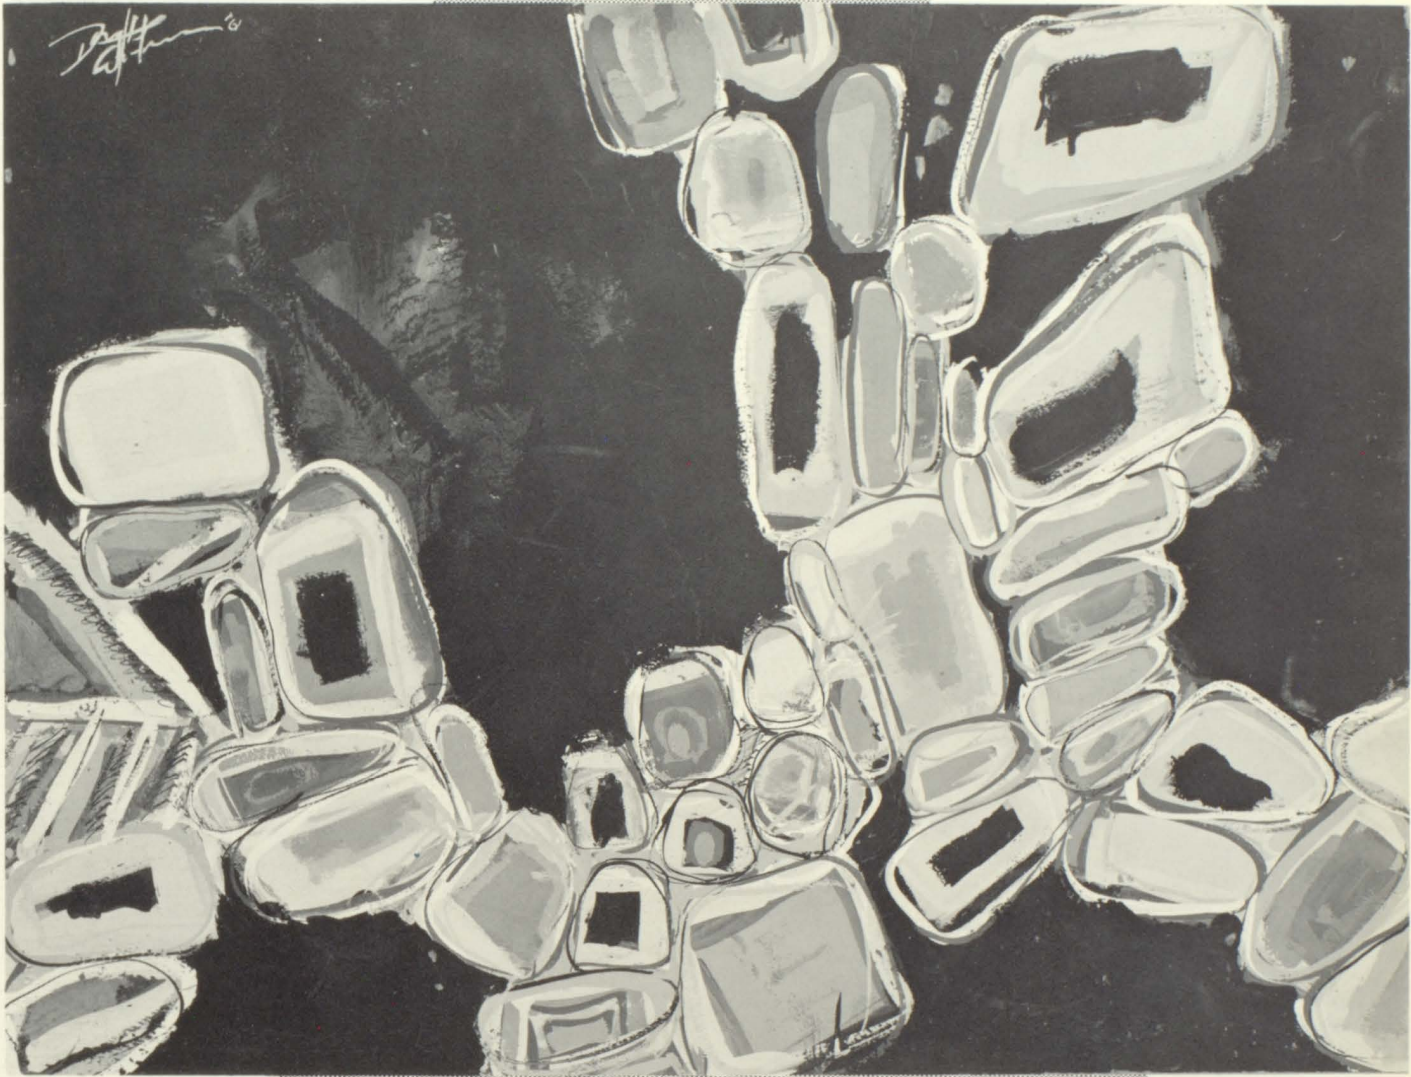

A conniving devil induces Faust to sell his soul in order to become young again and court the lovely Marquerite.

The A-pin is an exclusive award given to those students whose participation in various clubs and other school activities is deserving of special recognition. Credits for this award may be compiled by regularly attending the club meetings and by participating wholeheartedly in their programs as well as by leadership and service to the school in a variety of other activities. Only those juniors and seniors who have earned a large number of credits are eligible to receive this award and may become proud owners of the coveted green A-pin. Mr. Rickenbacker and Mr. Morris supervise the student committee which compiles the records of the accomplishments of all students, evaluates these records, and announces the names of new A-pin award winners.

The Craftsmen's Group is a unique, albeit small, organization of art and music majors whose primary purpose is to appreciate the cooperative efforts of the artist and the artisan. This group is affiliated with the American Craftsmen's Council, New York City. The members work with copper, silver, enamel, and other related materials. Mr. Gommoll, their capable advisor, often accompanies the boys on trips to New York museums and to hear lectures on outstanding craftsmanship.

The exceptional work done by the chorus has won state-wide acclaim. During the year, the group performs on many different occasions such as the Christmas Fair, the Winter and Spring Concerts and for the Thanksgiving and Easter assemblies. They also prepare programs for presentation before various community schools, clubs, and other organizations and play a major part in our opera productions.

Chorus is a subject enjoyed by all who take it because of the pleasant, congenial class atmosphere and the dynamic personality of Mr. Pickett, their inspiring director.

The French Club, which is now under the capable direction of Mr. Del Visco, was started by our former French teacher, Miss Wright who is now on the Central High School Faculty. The purpose of the club is to acquaint the students with the culture, customs, and history of France so that the students may develop better understanding and appreciation of the language and people of France. In keeping with the true French tradition, the club's future plans include dining at a French restaurant and viewing French paintings at one of New York's famous museums.

The Girls' Glee Club meets every Tuesday and Friday afternoon as a ninth period class in room 310. The members receive report card credit rather than extracurricular credit for their participation. These girls, under the capable direction of Mrs. Shapiro, have added much gaiety and charm to our winter and spring concerts and to our assembly programs. The girls study three and four part harmony. This club enables the art students, as well as the music students, to enrich their musical background.

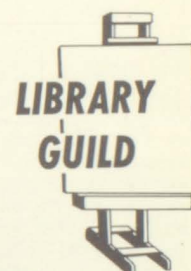

The Leaders' Club, under the supervision of Mrs. Donovan, is composed of girls who possess mature minds and leadership ability. The club meets on Mondays after school, at which time new games and exercises are formulated and gym routines are pre-tested. The girls learn not only how to lead a group but also how important it is for them to keep themselves physically fit. The goal of this activity is to build mature women who will be better equipped mentally and physically to compete successfully in the future.

SECOND ROW: Odell Simpson, Jeanette Hill, Judy Pavolick, Christine Cummings, Carolyn Henderson, Kathleen Barcliffe, Gail Fontaine, Chris Smishkewych, Takaka Inoue, Geraldine Cohens, Connie Carnevale.

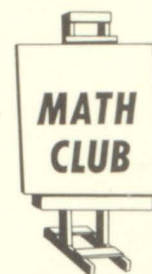

The Library Guild is made up of conscientious young men and women who are willing to spend their study periods and after-school hours assisting others in finding materials and selecting books. This experience is of real value to those interested in becoming professional librarians. But it is not all work and no play. During the school year, the guild members often take trips to college conventions and to New York City, and of course, they always have an annual picnic. Our capable staff and their advisor, Miss Yuker, make the Library Guild one of the best and most efficient school organizations rendering service to both students and faculty.

ORCHESTRA

The pleasant, melodious, harmonious sounds reverberating through the halls after school on Tuesdays and Thursdays belong to the Arts High Orchestra. Mr. Pesile the conductor, has led this group of fine musicians in performing for concerts, assembly programs, school operas, and other special events. Performing for the Kiwanis Club is an annual event for the orchestra. Many participants are also members of the All-State Orchestra. The many assiduous rehearsals always result in "music for happy listening."

The members of the Math Club meet every Monday afternoon during the school year to discuss unusual or fascinating math problems and theories. Ordinarily, time does not permit such discussions to be carried on during regular class periods. Miss Meyerson, the club's advisor, takes the members on field trips to offices, museums, etc. to stress the importance of math in the past, present, and future. The Math Club also sponsors the Math Medal. The members enter three annual mathematical contests: National, State, and City-wide. The fine reputation and the achievements of the Math Club have added much to the stature of Arts High.

JUNIOR RED CROSS

The Junior Red Cross, which has been in existence since the school was founded, is an active organization in and out of school. The members make favors, picture albums, and gifts for those in nurseries, hospitals, veterans' institutions and homes for the aged. Many of the members volunteer to serve in neighboring hospitals and nurseries during the summer. The Arts High Group, under the expert supervision of Mrs. Hiller, has been chosen the second most active teen group in our city.

LEFT TO RIGHT: Diane Corsi, Mr. Rickenbacher, Ralph Porzilli, Anne Hilser, Jo Anne Minutoli, Lorraine Sinkez.

SCOPE

The Scope, our school newspaper, contains every bit of news from the dates of important social events to the latest gossip circling the school. The paper comes out approximately every six weeks with the help of the harried staff and their conscientious advisor, Mr. Rickenbacher. Reporting, typing, make-up, and art work are but a few of the duties of our newspaper staff. Hard work and long hours, sprinkled with the satisfaction of a job well done, are key ingredients to the success of this group of journalists.

SEWING CLUB

The Sewing Club, under the direction of Mrs. Hiller, meets every Tuesday afternoon to "thread" their way through fun and fashion. Although the girls sew mostly for themselves, they also complete numerous projects for others. Everyone looks forward to purchasing some of the lovely things they contribute to our annual Christmas Fair. An annual event of this club is a trip to New York City, where the members enjoy a fashion show or a delightful play. Many of the "fashion plates" of Art High are products of Mrs. Hiller's sewing group.

STANDING, left to right: Mrs. Hiller, Olga Ficula, Phyllis Cuyler, Juanita Coleman, JoAnna Valella, Mary Ann Owens, Imogene Whitaker, Michele Sinkez, Francine Thornton. The Stage Crew consists of the young men behind the scenes who make possible all the colorful lighting and the beautiful settings for school operas, concerts, shows, and assembly programs. The faculty advisor, Mr. Marcus, is certain that each member has a thorough knowledge of sound effects, stage lighting, curtain operation, scenery, motion picture machines, record players and other visual aids employed in the presentation of assembly programs, plays, and operas. The boys unselfishly, devote many of their after school hours to handling specific assignments during rehearsals for Arts High performances.

The Student Council, headed by a mayor and a deputy mayor, is the student governing body. Mr. Morris and Mr. Rickenbacher are the faculty advisors. The members, who are chosen to represent the homerooms and clubs, have the opportunity to voice their opinions on school problems and improvements. They enjoy learning parliamentary procedure and being a part of a democratic system. Each year the Student Council sponsors the Barn Dance, the New Student Orientation Program, The Christmas Fair and the Variety Show.

CLASS OF JUNE 1962

JENNIFER PHILCOX

Senior Advisors and Homeroom Teachers

Miss Abos is truly an "all-around teacher" for she serves as Vignette literary advisor, acts as a guidance counselor, coaches the Varsity and Junior Varsity cheering squads, and is our conscientious class advisor. She has annoyed us, goaded us, threatened us, encouraged us, understood us, and defended us. We admire and respect her for her teaching ability, her high standards of achievement, her fairness, her enthusiasm, and her sense of humor. We appreciate her interest in and support of all our activities, and sincerely thank her for her untiring efforts in our behalf. She is, indeed, a "most unforgettable character".

Class Advisor-Homeroom Teacher

RUTH G. ABOS, B.A., M.A.

Energetic, witty and dedicated are the adjectives most often used to describe Miss David. She has an exceptional method of teaching and is always enthusiastic about our scholastic and social activities. The students look forward to her reading of the Bible at our assembly programs because, as in her classes, she always selects the appropriate passage to stimulate our thinking. Miss David has been the faculty advisor of the Spanish Club and is now the sponsor of the M. Bernice Hamilton Chapter of the National Honor Society. Known and loved for her warm, sparkling personality, she has earned the respect and gratitude of all her students.

Mr. Voller is not only a devoted teacher, but also a sincere friend and counselor. He has had a great deal of experience in many phases of education; however, presently, coaching is one of his main endeavors. In working with the Varsity Basketball Team and J.V. Baseball Team he is interested in developing character and sportsmanship, as well as coordination and skill in his athletes. He takes a personal interest in his students and realizes their need for encouragement and understanding, which he administers wisely. His warm personality and kindness win him the admiration and respect of all who come in contact with him.

Since Mrs. Neuss is such an admirable person, she is able to conduct her classes well, keeping the interest of every student. She has an avid interest in each student and is willing to help any student seeking advice. One of her favorite types of recreation is reading, a habit which she formed in childhood. This habit has made her an interesting teacher and has given her a storehouse of information. Her quick sense of humor makes her an interesting conversationalist. Not only has Mrs. Neuss mastered the English language, but she has also mastered French. Mrs. Neuss' fine counselling has been valuable to scores of students. As a person she is warm hearted and cordial; as a teacher, she will long be remembered by the departing Seniors.

Mr. Yablick will always be remembered by the "Yablick Yakkers" as he calls his students. He is a patient and conscientious person who is ready and willing to help any student toward better understanding of the world of science. A capable science instructor, he sparks his chemistry and biology classes with humor and constantly challenges his students to use their powers of deduction. Mr. Yablick has been an inspiration to many. His encouraging advice and wise guidance have brought him wide-spread respect and admiration. His sincerity and his willingness to help others have made him well-liked and appreciated by both students and teachers.

Our Barbershop Balladiers, John Trufelos, Robert Greco, Alvin Knight, Richard De Roxtra and Robert Burns, bring harmony (?) into Arts High.

The Senior Class presented the Charleston Hop on Friday evening November 3, 1961. Mr. Tobia led the band in the playing of the tunes from "the good old days." The refreshment room resembled a small cafe. There were candlestick centerpieces on all the tables. Later in the evening the crowd joined the quartet in a "sing along."

Only their barbers know for sure! (Mr. Voller, Mr. Thomas, Mr. Tobia, Mr. Schaffer, Mr. Young, and Mr. Tag).

The Faculty-Varsity Game and Dance, sponsored by the Varsity Club, is one of the most popular activities of the season. Held at Broadway Junior High School, the game is an annual event enjoyed by all who attend. The Faculty, by some strange coincidence, always emerges victorious. This year's winning basket was tossed by that human dynamo, Mr. Tobia. After the game, the students dance to the music of our dance band. All in all, the evening is filled with fun and excitement.

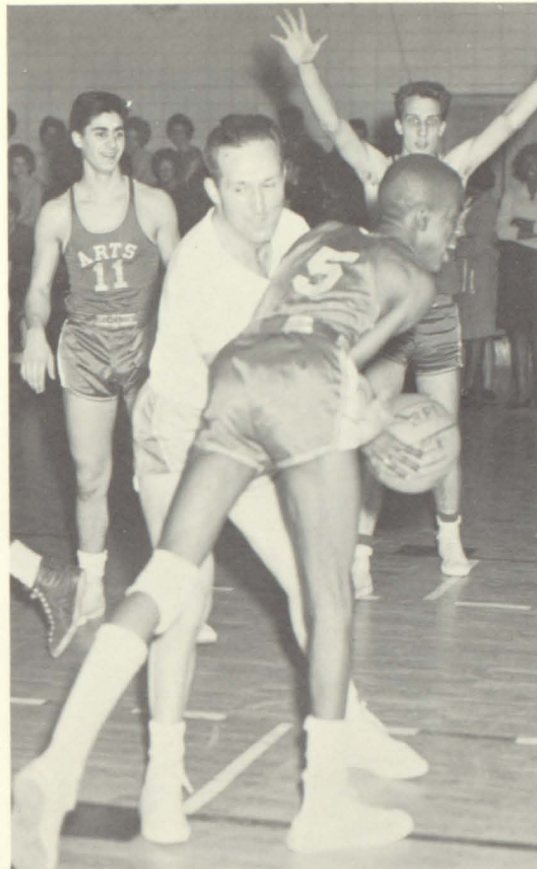

The Faculty wait for an opportunity.

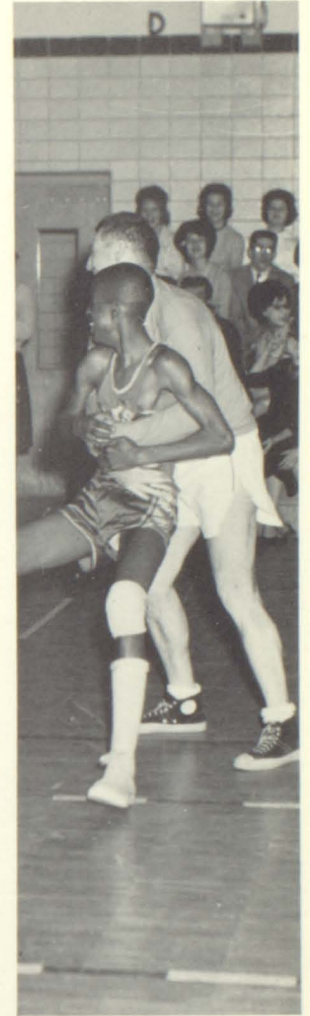

Evidently there's another ball in orbit.

What goes up MUST come down!

Bobby is hoping that Allah will help.

This is a ball game, not a wrestling match, Mr. Voller!

Mr. Tobia gets enthusiastic "support" from his teammates.

The boys are giving Mr. Thomas a hard time.

MATT HORTON

SPORTS

The 1961 Baseball season proved to be quite successful since we won twelve of the seventeen games we played. We were rained out twice. Pat Piegari's pitching was at its best all season, and he was considered the most valuable man on the team. But it was the combined effort of all the team members that kept Arts out in front. Mr. Lang, our coach, was particularly pleased with the batting and with the fielding.

One of the highlights of the season was the victory over Verona in the State Tournament, which was won by Richie Nebiolo's home run. We lost the state finals to Roselle.

"Better walk this next man."

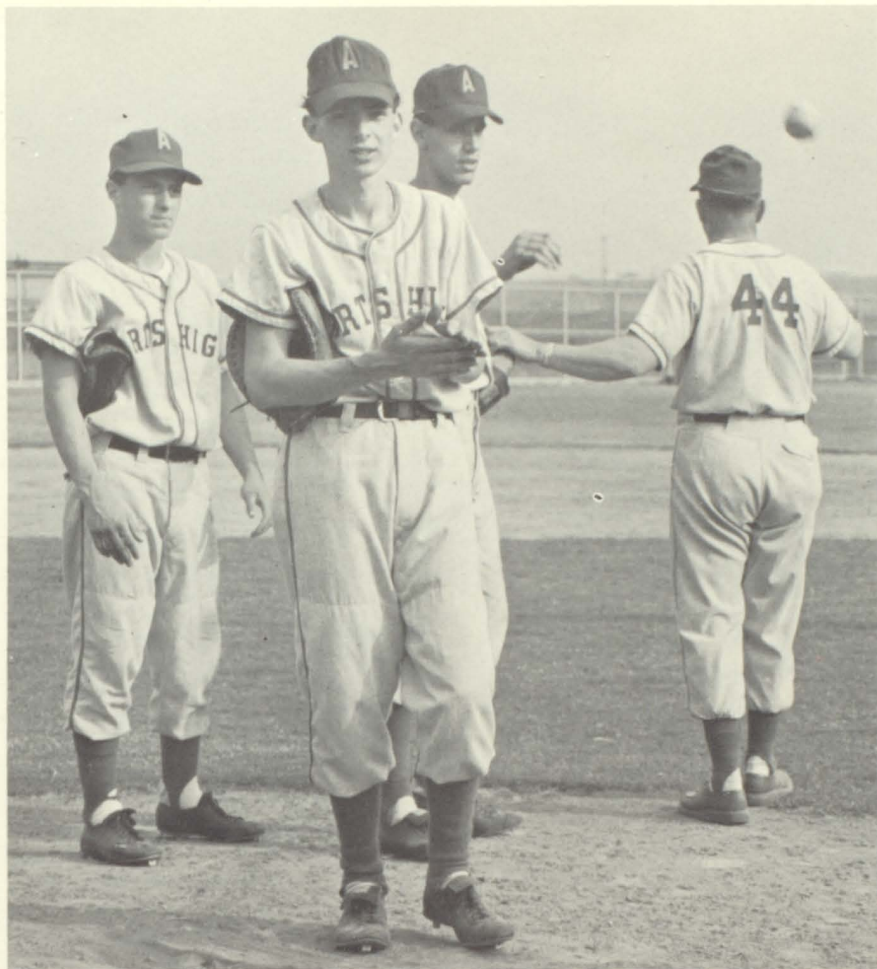

A grand slam!

Stay tuned 'till next week.

Arts High's basketball team ended its season sporting a record of 8 wins and 12 losses. This marked the third time in eleven seasons that Coach Voller's team has ended with less than a .500 season. With only three veterans returning, it was expected that the Arts quintet would experience some difficulty.

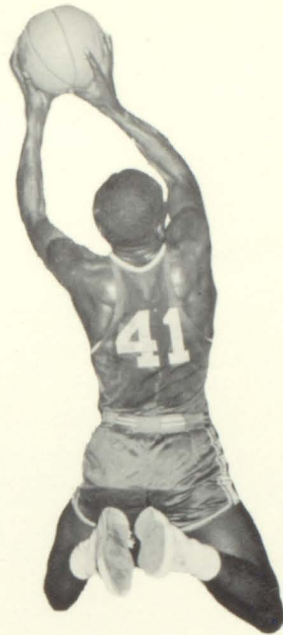

Inexperience and lack of real scoring punch were decisive factors in the campaign. In several games, however, Arts really looked well. Mr. Voller considered the second Harrison game that ended in a 55-50 victory for Arts as the

game the boys played best. Harrison had defeated Arts by 20 points in the first engagement. Determination, hustle, and good rebounding allowed Arts to beat a formidable opponent.

Next season should also prove an interesting one as once again Arts must try to rebuild around lettermen Joe Towe and Ken Miller. All other men who earned letters this year, including Aurelio Catalano and Robert Fisher, will graduate in June. Tyrone Washington, Richie Nebiolo and Roy Street will leave a huge gap to be filled by a group of aspiring jayvees.

SWIMMING TEAM

The Swimming Team, under the capable coaching of Mr. Knobler, is one of Art High's outstanding athletic teams. The boys spend many hours in training at Morris and Wilson Avenue Pools. The season, which runs from December to March, is full of practice sessions and school competitions. The climax of a season's hard work is the City Championship Meet in which all public high schools compete.

Sir Lancelot is ready to charge!

TRACK TEAM

1962 will be a year of rebuilding for the Track Team. Last season we lost some of our top men, including Vladimir Pawlawski. However, six lettermen are returning this year: Eric Stokes, hurdler; Roy Street, city champ in pole vaulting; Walter Ray, city champ in high jump; Roy Byrd, javelin thrower; Harry Hines and Leslie Wintsch, middle distance runners.

This year the Track Team has had the largest turnout in its history — 65 boys, of whom 30 are under 16 years of age. In a few years we hope that they will blossom into great track men.

Upsy-daisy! Eric Stokes clears a hurdle.

A mighty man is our Joe Mauro.

The Varsity Club is composed of boys who have won Varsity letters in the school's athletic activities. Under the able direction of Mr. Steisel, the group sponsors the popular Faculty-Varsity Game and Dance and the after-school Volleyball Game and Dance. One of the highlights of the club year is the Varsity Dinner attended by Dr. Seamster, Mrs. Geller, the coaches, the cheerleaders, and the athletes. The guest speaker, usually a college instructor or professor, speaks on the value of participation in an athletic program. Mr. Voller serves as toastmaster and keeps everyone smiling with his humorous jokes and his stories of the success of the teams.

CHEERING SQUAD

Arts High's athletic teams have many times been cheered on to victory by the Varsity and Junior Varsity cheering squad members. Alert, happy, and full of charm, the girls sparkle with enthusiasm. Their colorful costumes and spirit-rousing cheers have been definite assets at our basketball games. Miss Ruth Abos is the squads' advisor.

To the Vignette Staff and its advisors the year book represents arduous work, serious thought, concentrated effort and many, many hours of time. The goal has been to compile a journal of the past four years at Arts — to seal within these pages those hours of study, achievement, satisfaction, and enjoyment for a lifetime of fond memories.
